COMMS PLANNING APPRENTICE

AT  Greenhouse Group

What's the favourite part of your job?

My favourite part of my job is the amount of responsibility that I have gained within my job role. From the moment I began my apprenticeship, I instantly felt like a valued team member and I gained a significant amount of responsibility in a very short space of time.

What's been the highlight of your apprenticeship?

I am very grateful for everything that I have had an involvement in during my apprenticeship as well as becoming a valued member of the agency however the highlight for me has got to be meeting and working with some extremely talented, fun and hard working individuals.

What would you say to someone considering an apprenticeship?

I can only tell them to go for it as it really is a great way to enter such a fast paced, creative industry whilst allowing yourself to earn whilst you learn. I would strongly urge applying for an apprenticeship with Creative Pioneers² as I couldn't be more grateful for where it has got me in such a short amount of time.

Why did you choose an apprenticeship with Creative Pioneers²

Creative Pioneers² invest so much time and effort into ensuring that the job roles available are going to bring the best out of their apprentices. Others I have met, who have completed an apprenticeship with Creative Pioneers² have been extremely happy with who they were employed by demonstrating that the apprentices' comfort is at the forefront of what they do.

Creative Pioneers² always have your best interests at heart which is so important for those just starting out their careers like I was. I couldn't have been any happier with the experience I had working with Creative Pioneers and I would thoroughly recommend them as a training provider for those looking to complete an apprenticeship.

“ I COULDN'T HAVE BEEN ANY HAPPIER WITH THE EXPERIENCE I HAD WORKING AND I WOULD THOROUGHLY RECOMMEND CREATIVE PIONEERS² ”
